

Saint Lawrence Catholic School
8th Grade Service Hour Record 2007-2008
1st Quarter

NAME: _____ TODAY'S DATE: _____
Homeroom: _____

Service Requirements:

Students are required to do 10 hours of service per quarter.

- 5 hours: must be completed in the parish or school. School hours can be obtained during the school day only in the service elective. Otherwise they can be done outside of the normal school day. Youth ministry and the parish will provide many opportunities for service as well.
- 4 hours: must be completed outside the parish and school.
- 1 hour: must be completed by participating in liturgy. This hour may be completed when the student actively participates in one of the school masses coordinated by his/her homeroom. Being a cantor, musician, usher, lector, or server for liturgy are good examples.
- This year at graduation there will be a service award for the students in the class who participate in the most service hour opportunities for the year.
- Summer service hours can count for first quarter only.

*** If you question whether or not the hours you want to do will be accepted as service hours, or if you want to know if they will fulfill the above requirements, please seek pre-approval by your teacher.*
