FOURTH SUNDAY OF EASTER

Stewardship is not humanity's way of raising money, but rather God's way of raising people into the likeness of His Son. (Doug Carter)

The Stewardship Committee is looking for new members who may be interested in joining our small group. At the present, we only have 4 members, with others joining us as they can. We meet once a month, for about an hour and a half, and desperately need new members who can help us fill in the gaps.

Stewardship is a way of life and we are praying that some of you may hear the call to come and help us.

If you have any questions, please call me at 845-9070.

Thanks and God Bless You All

BJ

CATHOLIC HOME MISSIONS APPEAL

Right here in the United States, some dioceses are unable to provide fundamental pastoral care for their faithful. These "home mission" dioceses cannot support an adequate number of priests. They cannot afford funding for youth ministry programs or religious education. This week we take up a collection for the Catholic Home Missions Appeal. Help strengthen the Church at home with a generous donation.

CATHOLIC HIGH SCHOOL HOCKEY TEAM

St. Christopher Knights, an independent, Catholic high school hockey team is being formed for the 2010 Fall and Winter season. Both a Varsity and JV team are planned, with substantial financial support from corporate partners and a unique merchandising initiative. For information, contact office@centericemarketing.com

Come join us at a game or track meet. We'd love to see you there!

Please pray for a resolution to the Lawrence Township bus issue. St. Lawrence has been very fortunate to be able to use the Lawrence Township buses for many years in transporting some of our students from their homes to the school, via the Lawrence Township Middle Schools. As you know, St. Lawrence Parish and School do not have the financial resources to provide buses for our students and we have always been very grateful for the use of the Township buses. As Lawrence Township is no longer providing the shuttle buses from their middle schools, to St. Lawrence, and from St. Lawrence to their middle schools, this has put an additional burden on some of our school families.

Our Teacher of the Week, for the week of April 19-23 is Lisa Schultheis. Mrs. Schultheis **volunteers** her time to teach 7th Grade Religion and recently helped the 7th graders participate in their wonderful 'Day of Reflection' on Holy Thursday. She is also involved in their upcoming retreat at Fatima Retreat House. We hope that Mrs. Schultheis has a wonderful week and that everyone shows her how much she's appreciated.
