Friday May 28, 2010**

Our fishing poles have arrived! Please make sure to return your envelopes to homeroom teachers. Permission slips and \$2.00 per person attending the walk should have also been turned in to the homeroom teachers. We are still looking for parents to help with transportation. We would very much appreciate your help transporting the children to and from the park even if you can't stay for the day! Dress code is casual but must be school/church appropriate. Sun screen is highly suggested before and during our time at the park. Everyone has been asked to bring a sack lunch. Water or Gatorade would be best choices for drinks. If you are planning to help with fishing please let me know via e-mail: curran@saintlawrence.net. I look forward to seeing all of you on Friday!

Mrs. Curran
